

Mark E. Lingerfield, ASA

PROFESSIONAL EXPERIENCE

Management Planning, Inc. (MPI), Managing Director

Since joining MPI in 1999, Mr. Lingerfield has prepared valuations of closely held operating companies, asset holding entities, as well as other securities, such as undivided interests in real estate and closely held promissory notes. In support of the foregoing, he has prepared documented valuation analyses for presentation to management, directors, stockholders and other representatives of client companies, and has provided testimony in an expert witness capacity in business valuation matters in court proceedings. Mr. Lingerfield is also responsible for developing and managing client and referral source relationships, primarily in the Mid-Atlantic region.

Bloomberg, L.P., Credit Rating Research Associate

Mr. Lingerfield began his career at Bloomberg, L.P. in 1998. Researched and initialized fixed-income and issuer credit ratings awarded by rating agencies such as Moody's, Standard and Poor's, Fitch and Duff and Phelps. Specialized in international credit rating agencies for this multimedia financial information institution.

EDUCATION

MBA in Finance, Rider University
BS in Finance, The College of New Jersey
